**Notes: I discovered that "Caliginous Romance | Kismesis" is a thing that exists so I wrote this for fun.**

**I don't hate Ruby/Yu ship. As I said above, I wrote this fic just for fun.**

"私はあなたを見つけた... 私の愛を。 [1] We are finally reunited."

"I'm sorry?" I asked the silver-eyed young woman.

"This is our destiny. We are made for each other! We're..."

"But I don't know you." I replied with logic.

"馬鹿にすんなよ, [2] Yu-kun, our souls are bound to each other."

"You're full of nonsense! And how do you know my name?"

"Yu Narukami. Oh, Yu Narukami, I am Ruby Rose, your future wife!"

"NO!" I shouted. That Ruby must be crazy.

"Don't you think we belong together?"

"NOOOOOO!" I yell, then sort of threaten her. "Go away or I'll call the police!"

"But... but, Yu-kun, you're breaking my heart!" She says while crying. Her tears turn into small rose-shaped crystals. The crystals shatter on the ground.

"That's enough!" I reach for my cell phone, not caring about her supernatural tears. "Hello? The police? There's this crazy girl who..."

“さらば、わが愛！[3]” Suddenly Ruby says and she disappears. I never saw her again.

[1] I have found you... My love.

[2] Don't be a fool.

[3] Farewell, my love!
